

NEW Paraiba Features:

1. SAS20 Package

The NEW SAS20 Package allows a member to BUY 20 Sub Accounts funded with \$100 each.

Your MAIN account Usable Balance must be funded with \$2,000 to purchase. Each account is instantly created, KYC'd (linked), funded and uses the same Password as your Main.

1. Go to "Finance"
2. "Use Balance"
3. Click on "Incentive"
4. Select SAS20
5. Click on "Save" and confirm the process

2. NEW Account Features

With the new function you can DIRECTLY from every linked sub-account

- 👉 pay out to UX
- 👉 deposit with BTC
- 👉 and book money from the "respective" credit account into the deposit without having to log in there again and again.
